**About Willis Tower**

Willis Tower is the premier corporate office building in Chicago, offering more than 4.5 million square feet of office and retail space. Located in Chicago's West Loop at 233 S. Wacker Drive, the skyscraper is easily accessible from the commuter rail stations, highways and all forms of public transportation. Standing 1,450 feet and 110 stories tall, Willis Tower is the tallest building in the Western Hemisphere and an integral part of Chicago's culture. Originally opened in September 1973, it is home to more than 100 different companies, including prominent financial services firms, law firms and insurance companies. Willis Tower boasts spectacular vistas of Chicago, with views that can reach nearly 50 miles on a clear day. Willis Tower also boasts a tremendous infrastructure system, which includes enormous telecommunications capacity and unsurpassed electrical capacity and reliability. Skydeck Chicago on the Willis Tower's 103rd floor attracts more than one million visitors per year.
