## SOAR TO NEW HEIGHTS

Fundraise, climb or hand cycle your way to the top! No other event in the world offers the thrill of climbing 103 floors or hand cycling the equivalent distance and elevation. Nowhere else do you get the finish-line experience of Skydeck Chicago, offering spectacular panoramic views and an opportunity to venture out onto The Ledge, glass floor balconies, for a truly unique view of the city.

Since 2009, more than 15,500 people from 48 states and 19 countries have participated in SkyRise Chicago, their ages ranging from seven to 82. For a person of average fitness, it takes about 30-45 minutes to climb to the 103rd floor. In addition to the breathtaking views from the top of the Willis Tower, you'll witness the power of the human spirit and the demonstration of varying levels of "Ability" all around you. You will be inspired and amazed!
